CLASSIFICATION AND PAY PLAN

EFFECTIVE: April 16, 2012

Classification and Pay Plan

TABLE OF CONTENTS

SECTION

I: General Guidelines

- A. Instructions for use of the Classification and Pay Plan
- B. Summary of Compensation Rules and Standard Procedures

II: Salary Schedules

- 1. A - General (2080.00 hrs.)
- 2. C - AFSCME - Union (2080.00 hrs.)
- 3. D - Fire Rescue - Suppression (2496.00 hrs.)
- 4. E - Fire Rescue - Suppression (2080.00 hrs.)
- 5. G - Fire Rescue - Supervisory (2080.00 hrs.)
- 6. H - Fire Rescue - Supervisory (2496.00 hrs.)
- 7. K - Fire Rescue - Paramedics (2819.20 hrs.)
- 8. L - Fire Rescue - Dispatchers (2377.00 hrs.)
- 9. N - Property Appraiser (2080.00 hrs.)
- 10. P - Aviation Authority - Police (2184.00 hrs.)
- 11. R - Aviation/Port Authorities (2080.00 hrs.)
- 12. S - Sheriff's Office - Certified (2184.00 hrs.)
- 13. T - Inspector - Public Transportation - Certified (2080.00 hrs.)
- 14. V - Sheriff's Office - Certified (2184.00 hrs.)
- 15. W - Sheriff's Office - Civilian (2080.00 hrs.)

III: Alphabetical Listing of Classified Job Titles

IV: Listing of Classified Job Titles by Job Code

V: Alphabetical Listing of Unclassified Job Titles

VI: Listing of Unclassified Job Titles by Job Code

VII: Civil Service Standard Abbreviations sorted by Common Presentation

VIII: Civil Service Standard Abbreviations sorted by Abbreviation

NOTE: Sections III, IV, V, and VI are also available in excel format for your convenience so that you can manipulate the data.

SECTION I

GENERAL GUIDELINES

A. INSTRUCTIONS FOR USE OF THE CLASSIFICATION AND PAY PLAN

1. The Classification Plan has eight sections as follows:
 - a. Section I is the general guidelines for use of the classification and pay plan.
 - b. Section II is the listing of salary schedules.
 - c. Section III is the listing of classified job titles in alphabetical order.
 - d. Section IV is the listing of classified job titles by job code.
 - e. Section V is the listing of unclassified job titles in alphabetical order.
 - f. Section VI is the listing of unclassified job titles by job code.
 - g. Section VII is the Civil Service standard abbreviations sorted by the common presentation.
 - h. Section VIII is the Civil Service standard abbreviations sorted by the abbreviation.
2. Illustration of Sections II, IV, V, and VI:

JOB TITLES ALPHABETICAL ORDER

<u>JOB TITLE</u>	<u>JOB CODE</u>	<u>PAY GRADE</u>	<u>JOB CLASS</u>
ACCOUNTANT I	A0902	AM	C6

JOB TITLES BY JOB CODE

<u>JOB CODE</u>	<u>JOB TITLE</u>	<u>PAY GRADE</u>	<u>JOB CLASS</u>
W0902	ACCOUNTANT I	WM	C6

3. Description of Designators:
 - a. **JOB TITLE**. A distinguishing name for a broad grouping of related job duties used for classification purposes.
 - b. **JOB CODE**. A five character code used to identify a job classification. The alpha character preceding the number indicates the salary schedule.
 - c. **PAY GRADE**. A two digit alphabetic designator that identifies the salary schedule and grade assigned to a job classification. The first letter identifies the salary schedule, while the second letter identifies the pay grade assigned to the job class.
 - d. **JOB CLASS**. A designator used to group job classifications into the following categories:

C6 - Classified (6 months probation): Jobs in which incumbents serve a six-month probationary period.

C12 - Classified (one-year probation): Jobs in which incumbents serve a one-year probationary period.

T6/T12 - Classified (Trainee): T6 are six-month probationary classes and T12 are twelve-month probationary classes.

B. Summary of Compensation Rules and Standard Procedures

1. **General.** The following information was distilled from the Civil Service Rules and Law and, in some cases, recommended procedural steps were added. Please refer to the Rules and Law for complete information. Employees covered by collective bargaining agreements should also refer to those agreements. Collective bargaining agreements prevail when there is a conflict with the Civil Service Rules or Law.
2. **Acting Pay.** When a classified employee is serving in an acting capacity in a higher paid position, that employee's salary shall be advanced 5% above his or her regular salary, or up to the minimum of the pay grade of the classification the employee is serving in acting status, whichever is higher.
3. **Performance Increase.** A performance increase, when granted, will be a percentage increase to the employee's hourly rate of pay. In no case shall the increase result in the employee's salary exceeding the maximum of the pay range.
4. **Extraordinary Performance Increase.** All extraordinary performance increases must be based upon an Agency's written policy describing the criteria for such an increase. No employee shall be eligible for an extraordinary performance increase until having served a minimum of one year in the classification for which nominated. In addition, an extraordinary performance increase shall not: (1) exceed the maximum percentage increase available for performance increases during the fiscal year in which the extraordinary performance increase is awarded or exceed a 3% increase in salary, whichever is greater; and (2) result in the employee's salary exceeding the maximum of the employee's pay range. In lieu of a salary increase, Agencies may offer a lump sum extraordinary performance incentive.
5. **Regrade/Demotion.** A regrade is either an upward or a downward change of the authorized pay grade of any classification of employment. When regrading of a classification occurs, the salary of the incumbent in any position of that classification is changed to the same relative position within the new pay range as was held in the old pay range. A demotion may be voluntary or involuntary. In either case, the employee shall normally be placed in the same relative position of the lower pay range as the employee occupied in the higher pay range. If the demotion is to a classification previously occupied by the employee, the employee will be placed in the same relative position of the lower pay range as the employee occupied in the higher pay range, or to the hourly rate previously held in the range, whichever is greater. The following guidance and formula are used to determine the new rate of pay:
 - a. Calculators should be placed in the floating or unlimited decimal position when using the formula in paragraph b below.
 - b. Formula: For determining the "same relative position in the new pay range as occupied in the old pay range".
 - (1) Determine the employee's current pay grade and current hourly rate of pay.
 - (2) Determine the midpoint hourly rate of the current pay grade and the midpoint hourly rate of the employee's new pay grade.
 - (3) Divide the employee's current hourly rate into the midpoint of the employee's current pay grade.
 - (4) Multiply the midpoint of the employee's new pay grade by the answer in step 3 and round to nearest penny using normal rounding rules. (e.g. \$19.5657 = \$19.57 and \$19.5649 = \$19.56)

B. **Summary of Compensation Rules and Standard Procedures (Continued):**

Example (Demotion from Pay Grade AO to Pay Grade AM):

- (1) Employee's current pay grade is "AO" and the current hourly rate of pay is \$23.99.
- (2) The midpoint hourly rate of the employee's current pay grade "AO" is \$25.36 and the midpoint hourly rate of the employee's new pay grade "AM" is \$22.29.
- (3) $\$23.99/\$25.36 = .94597791798$
- (4) $\$22.29 \times .94597791798 = \21.0858477917 rounded to the nearest penny = \$21.09 new hourly rate of pay.

6. **Entrance Rate.** The rate of pay payable to any person when first hired into a classified position shall be the minimum rate of the pay grade for the class, except that:

Upon initial appointment to the Civil Service System and when exceptional circumstances prevail, an entrance rate above the minimum may be paid at the levels indicated below and when approved by the authority indicated:

ENTRANCE RATE RELATIVE TO RANGE

APPROVAL AUTHORITY

Minimum to Midpoint

Appointing Authority

Above Midpoint to Maximum

Civil Service Board

7. **Promotion.** Movement of an employee from a position in one classification to a position in another classification due to a hiring action or reclassification action having a greater degree of responsibility and a higher pay grade.
- a. Calculators should be placed in the floating or unlimited decimal position and rounded to the nearest penny when computing the rate of increase for promotion.
 - b. Classified employees promoted in the Civil Service System shall receive an increase in salary of 5% to 15% or up to the midpoint of the new pay range **if the midpoint is greater than 15%.**
8. **Transfer.** The employee's rate of pay does not change when an employee is transferred from one class to another class in the same pay grade or within the same class to another position.
